TERMS AND CONDITIONS

PLEASE READ THE TERMS AND CONDITIONS CAREFULLY

The proposed development, subject of this application, is consistent with the planning consent documents and any conditions attached there to (if applicable) unless otherwise stated.

That the proposed development will involve the construction of a building which would, if constructed in accordance with the plans submitted, not be contrary to the regulations prescribed for the purposes of section 86 of the Electricity Act 1996. You make this declaration under clause 6(1) of Schedule 8 of the Planning, Development, and Infrastructure (General) Regulations 2017.

Where I am not the owner of the development site;

- a) Class 1a building - I have obtained written consent of the owner to engage BW&A National Building Consultants, or
- b) Other than Class 1a – I have notified the owner of my intention to engage BW&A National Building Consultants, as prescribed under Regulation 90 of the Development Regulations 2008.

Pursuant to Regulation 90(1) of the Development Regulations 2008, you have engaged BW&A National Building Consultants to assess the proposed development and, on compliance with the Building Rules and Development Regulations, grant Building Rules Consent and/or Development Plan Consent.

You are required to notify BW&A National Building Consultants in writing, at the time of application, if you intend on using a 'designated building product' for external cladding and are to provide the associated details for that building product if the building work;

- (i) relates to a building, or class of building, designated by the Minister by notice published in the Gazette; and
- (ii) involves the use of a building product, or kind of building product, designated by the Minister in the notice in circumstances specified in that notice, For the purposes of this item;

Designated Building

For the purposes of Regulation 3 of the Development Regulations 2008 a designated building is a building with a Building Code classification of:

- a) Class 2, 3, or 9 consisting of two or more storeys; or a
- b) Class 5, 6, 7 or 8 consisting of three or more storeys

Designated Building Product:

For the purposes of Regulation 3 of the Development Regulations 2008 a designated building product is a building product that consists of a metal panel or lining formed with an aluminium, or similar thin metal sheet material, with any type of core material.

You understand that BW&A National Building Consultants cannot be in any way connected with a Noncompliant or Nonconforming Building Product, or the approval, the use or installation of a Building Product in a manner which is Noncompliant or Nonconforming. For the purposes of this item;

Noncompliant

Means any Building Product which does not comply with any applicable law or regulatory obligation, including but not limited to: the Building Code of Australia, the National Construction Code of Australia, any relevant Australian Standards, approved conditions, use or application, or the guidelines, practice notes or the like of any relevant building authority or other regulatory body.

Nonconforming

Means any Building Product which purports to meet specific requirements and does not. For instance, is not fit for purpose, is not of acceptable quality, is counterfeit, or contains false or misleading claims about its qualities / properties.

Building Product

Means any wall system, panel, cladding, façade material, external attachment or insulation, including but not limited to; aluminium composite panels, structured insulation panel systems, extruded polystyrene systems, exterior insulation finish systems or external timber panelling systems.

Version 3

SA Application Form – April 2022

I declare that I have read and agree with the terms and conditions above and I hereby engage BW&A National Building Consults under the Development Act 1993 or the Planning, Development, and Infrastructure Act 2016 (whichever relevant) to lodge on my behalf (if applicable), assess, and grant Planning Consent and/or Building Consent for the proposed development.
